## It's simple.

The Kentucky State Police provides the Kentucky Sex Offender Alert Line, and the Kentucky Sex Offender Registry website, for public safety and awareness.

Sex/criminal offenders have always lived in our communities, only in recent years have laws been passed which have required convicted offenders to register with authorities. Unfortunately, many convicted offenders do re-offend. Through the Kentucky Sex Offender Alert Line you can receive a phone call when a convicted sex offender moves into your zip code area.

Here's how...

**1**

Call the Kentucky Sex Offender Alert Line at 1-866-564-5652 and enter your phone number and zip code.

**2**

When the Kentucky State Police receives notice that a registered sex offender is moving into that area, you will receive a notification call.

**3**

You will then be directed to the Kentucky State Police Sex Offender Registry at <http://kspsor.state.ky.us> for more information. Free internet access is available at all public libraries.
